

NPM MOLDOVA

On the occasion of **17** years since the ratification of OP CAT on 24 July 2006

Mission and Functions

National Preventive Mechanisms (NPM)
The Council for the Prevention of Torture

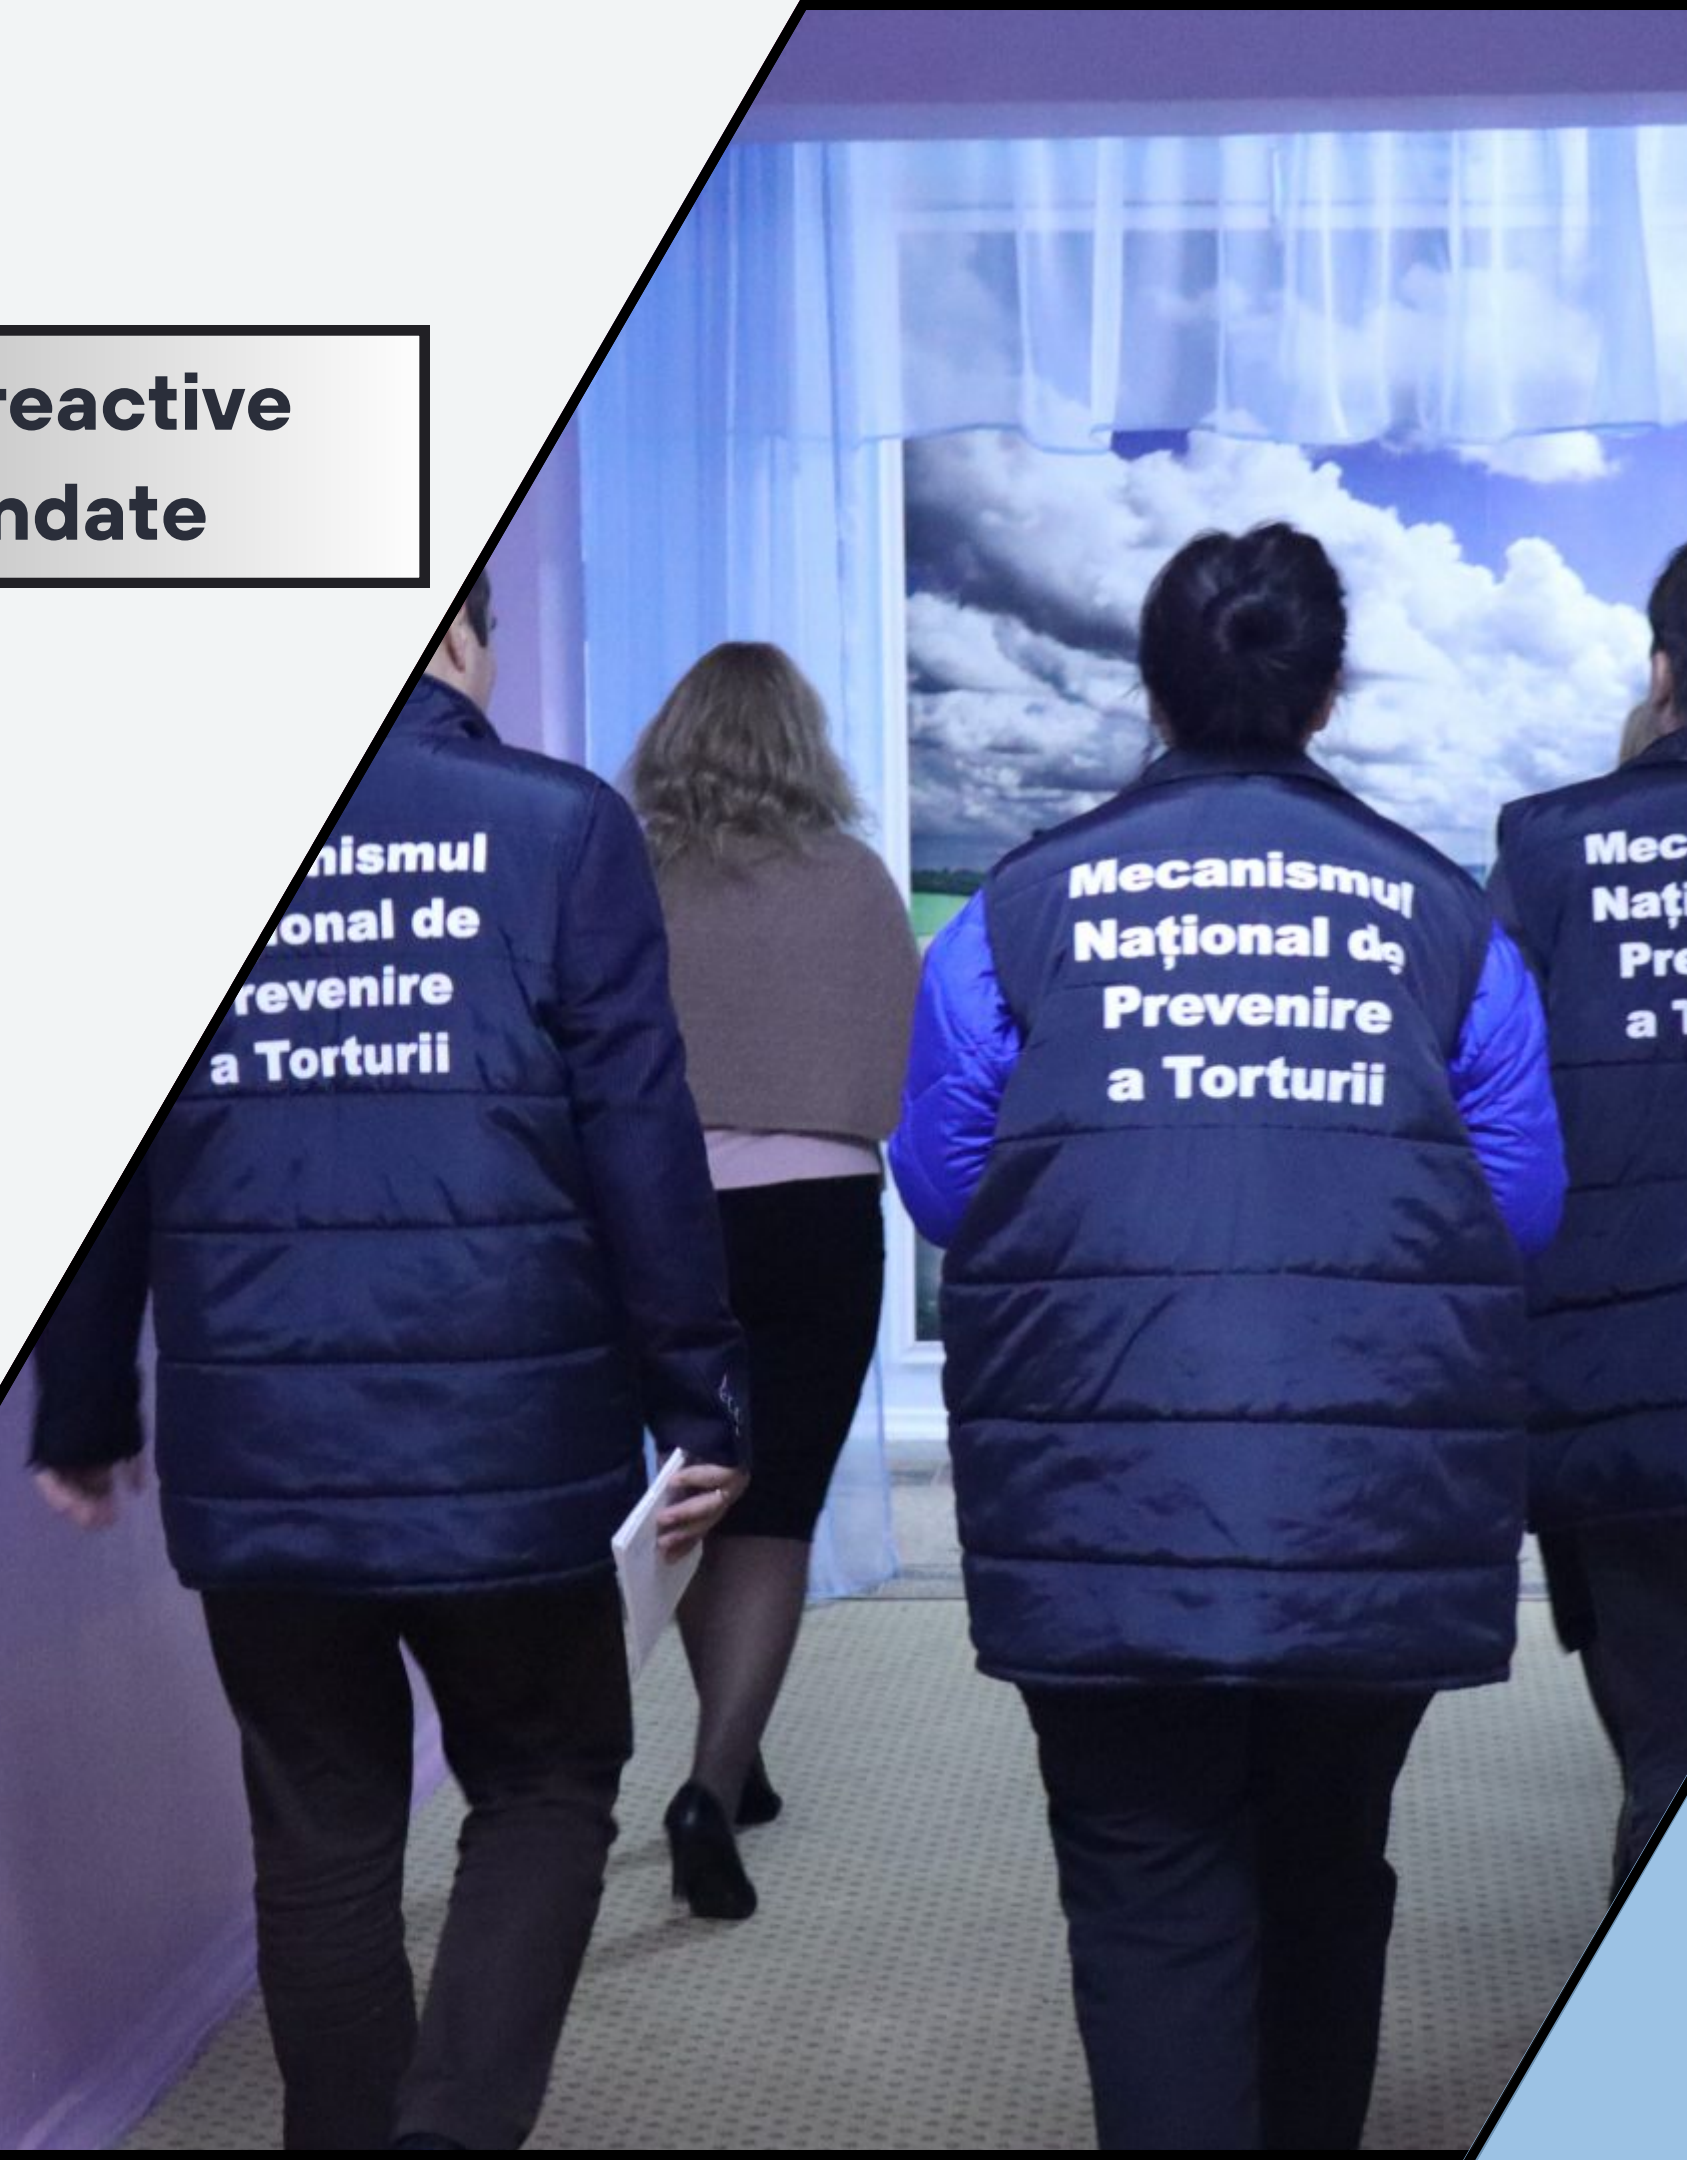

**Non-reactive
mandate**

Mission

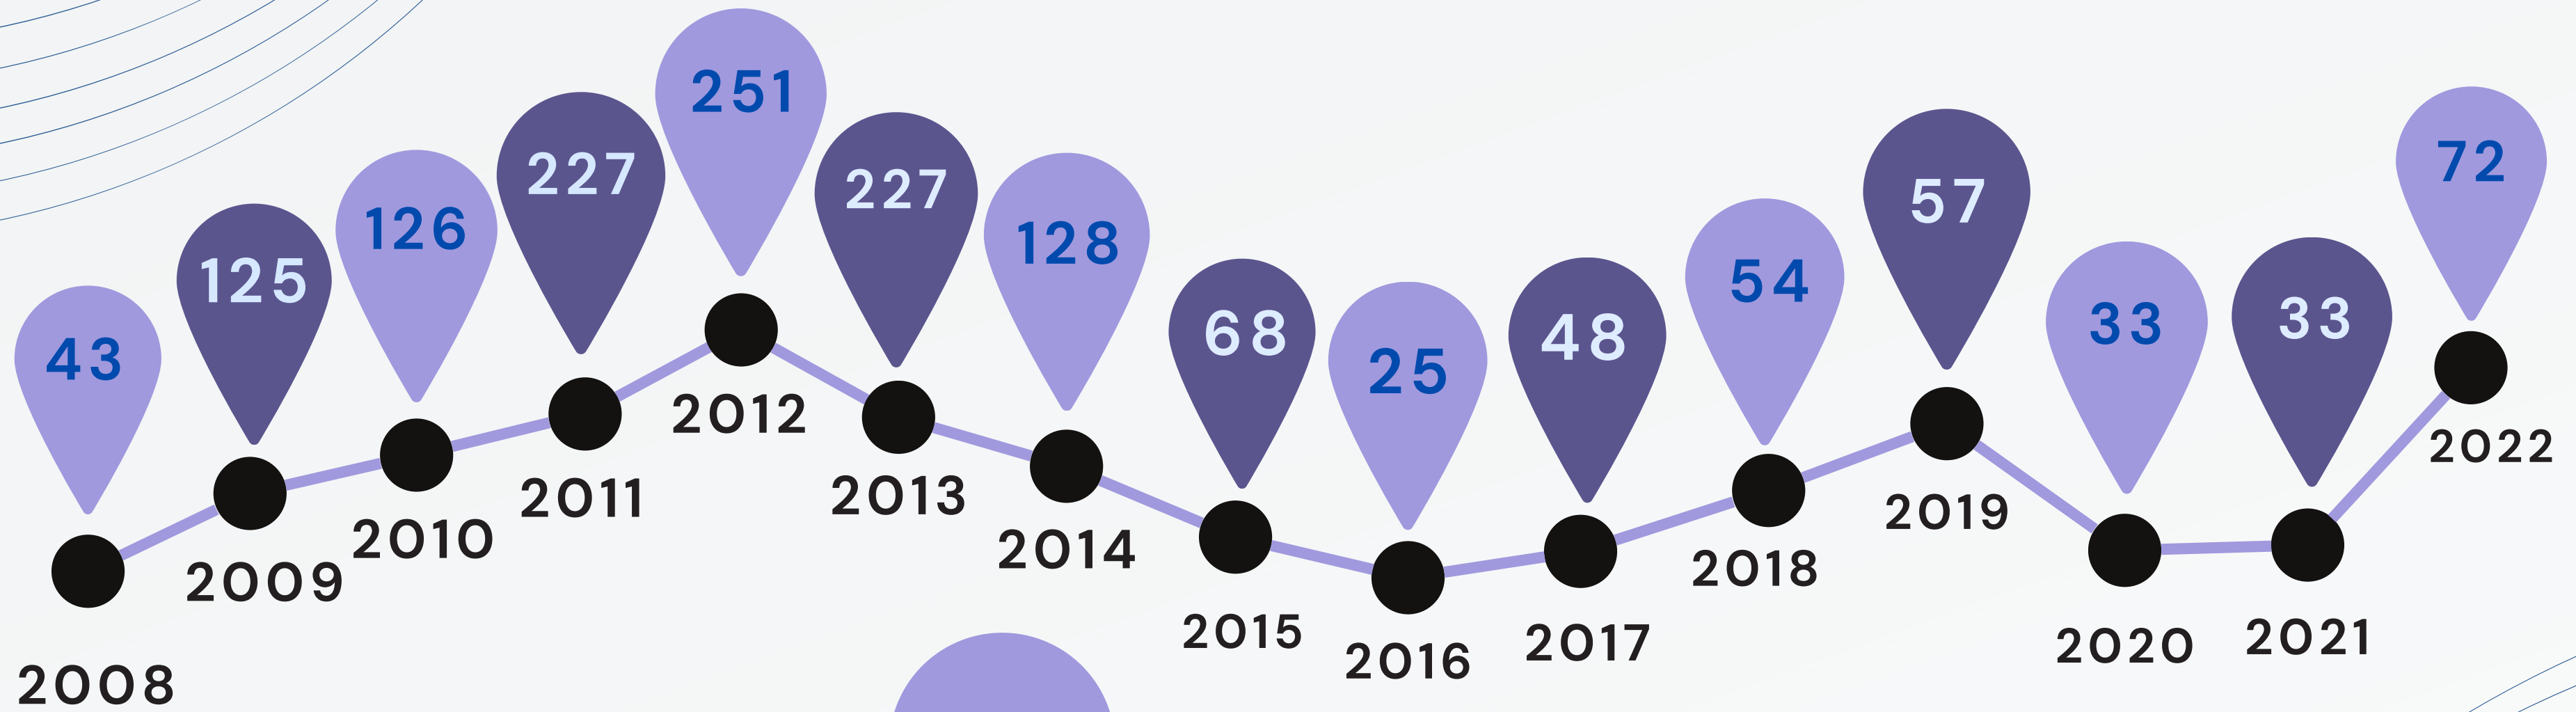

ensuring the protection of people against torture and other cruel, inhuman or degrading punishments or treatments, by carrying out preventive and monitoring visits in places of detention, identifying systemic problems and issuing recommendations to the competent authorities in order to solve them.

Functions

- monitoring places of deprivation of liberty
- regular visits to private places
- drawing up post-visit reports
- formulating recommendations
- dialogue with national and international organizations
- cooperation and communication with the UN Subcommittee on the Prevention of Torture
